CODE OF ORDINANCES OF THE CITY OF GALENA**

---

**WHEREAS**, Section 5/11-42-6 of the Illinois Municipal Code (65 ILCS 5/11-42-6) provides that the corporate authorities of each municipality may license, tax, and regulate hackmen, draymen, omnibus drivers, carters, cabmen, porters, expressmen, and all others pursuing like occupations and may prescribe their compensation; and

**WHEREAS**, the City Council heretofore has enacted Galena Code of Ordinances Chapter 120 to regulate vehicles for hire and the drivers of such vehicles within the City for the protection of the public health, safety, and welfare; and

**WHEREAS**, recent innovations in technology now allow persons seeking for hire transportation to use wireless networks or the internet to find the location of a potential driver, obtain information about the driver, and arrange for transportation with that driver for an agreed price; and

**WHEREAS**, transportation network companies ("TNCs") have captured a growing share of the traditional vehicle for hire market by using digital networks or software application services to connect passengers to affiliated drivers; and

**WHEREAS**, TNCs have been successful and popular with the public throughout the nation; and

**WHEREAS**, the City Council welcomes and encourages new businesses that offer pioneering solutions to the transportation needs of the City's population; and

**WHEREAS**, the City Council finds that a need exists to regulate the activities of TNCs and their drivers within the City, as provided herein, to protect the health, safety, and welfare of TNC drivers, riders, and the general public; and

**WHEREAS**, the City Council strongly supports the area's existing vehicle for hire businesses and intends in this Ordinance to establish regulations that are fair and appropriate for all transportation providers regulated by the City; and

**WHEREAS**, the City Council finds that the best interests of the City are served by requiring all persons operating TNCs in the City to provide safe, clean, reliable, and consistent transportation services to the riding public; and

**WHEREAS**, the City Council finds that the City may regulate such activities pursuant to the Transportation Network Providers Act, 625 ILCS 57/1 et seq., which Act took effect on June 1, 2015; and

**WHEREAS**, Public Act 99-56, adopted by the 99th Illinois General Assembly, amended the Transportation Network Providers Act, *inter alia*, to prevent a unit of local government from

regulating TNCs, TNC drivers, or TNC services in a manner that is less restrictive than the regulation by the State under such Act, effective on July 16, 2015; and

**WHEREAS**, the City Council further finds that the best interests of the City are served by establishing fees for TNC driver's license of fees, pursuant to Galena Code of Ordinances Chapter, as provided herein.

**NOW THEREFORE BE IT ORDAINED** by the City Council of the City of Galena, Jo Daviess County, Illinois, as follows:
