Monitoring of the trail will take place from April until early November each year. Two or more volunteers will be assigned each week – Monday through Sunday. Please check the box to acknowledge you agree to the following:

I understand that I am acting as a volunteer. Volunteer responsibilities include monitoring the trail for damage; maintenance tasks would include moving small branches and other obstructions off the trail and picking up any litter. Two or more volunteers would be assigned to each week. During their assigned week, volunteers would contact the City Public Works department by calling City Hall at 815-777-1050 (Monday-Friday) and the Galena Police Department at 815-777-2131 (Saturday and Sunday) to alert them of the need to remove fallen trees from the trail or report any other issues requiring more attention than the volunteers could provide.

**Please print and complete the attached agreement and return to City Hall. Completed agreements may be delivered electronically by scanning and emailing to [mmoran@cityofgalena.org](mailto:mmoran@cityofgalena.org). Thank you!**

**Galena River Trail Monitoring Program Indemnification Agreement**

I, (insert your name) \_\_\_\_\_ hereby promise to hold the City of Galena, and any contributing organization, its officials, employees and agents, harmless against any and all claims for personal and bodily injury including death, or property damage which may arise directly or indirectly from my participation as a volunteer in the Galena River Trail Monitoring Program, including any and all costs for personal injury, bodily injury or property damage, for which a claim or demand is asserted, whether such claim is frivolous or made in good faith. Such indemnification shall include any and all costs and expenses including, but not limited to court costs and fees incurred by attorneys, witnesses and experts, as well as damages and interest incurred by or assessed against the City of Galena, and any other contributing organization, its officials, employees and agents.
