### LESSON POLICY

- ✓ Lesson participants are allowed in the pool area five minutes prior to the scheduled start of lessons. For youth lessons, parents may accompany their children through the dressing room and stay until the child is accepted by the instructor at the designated area. Parents are asked to exit the pool area prior to the beginning of class to minimize distraction to the participants and the risk of injury to those not enrolled in lessons. Exceptions are made for children with physical and mental disabilities. The City of Galena is not responsible for those remaining in the pool area that are not participating or assigned to a class. Lessons will be provided regardless of weather. In the case of cool or inclement weather, we will have an in-service safety day. Parental discretion may be used regarding attendance. There are no make-up lessons. The City of Galena reserves the right to modify these policies as deemed necessary.
