RE: Refurbishment of Pergola  
Approval of Request for Quotes

Request for quotes for this project were sent to three contractors, of these two responded and are detailed as follows:

Ref #	Company	Base Bid \$
1	White construction	4,800
2	Earl Thompson Masonry	9,955

This project involves refurbishment of the pergola in Grant Park, including: cleaning and repainting of structure, repair of damaged concrete, replacement of light units and replacement of cables supporting the vines. The cost estimate for the project was \$10,000 with 100% funding by the Galena Foundation.

I recommend the city council approves the quote from White Construction for \$4,800 to refurbish the pergola in Grant Park.
