Galena, Illinois

The historic charm of this mining town's six-block Main Street will make you feel like you took a time machine to a different decade. After you conquer downtown, must-see attractions include the Old Market House and the Historical Society and Museum.

When it comes to your vacation, most people seek out places they've seen on TV or have heard about from friends and family. Fair enough. Now, let us introduce you to 40 unsung hot spots. These unheard-of towns across the U.S. might not have made it onto your bucket list yet, but believe us, they deserve a spot.
