

ELECTRONICS RECYCLING

WHAT: The City of Galena offers recycling of residential electronics as a lawful and environmentally friendly manner of disposal.

WHERE: Electronics may be dropped at City Hall at 101 Green Street during monthly collection days.

WHEN: Drop off your electronics the last Friday of each month from 8:00 a.m. to 1:30 p.m. TV's and computer monitors are accepted at the same time for \$25 per unit.

Beginning January 1, 2012, the State of Illinois prohibited the deposit of electronics in landfills. The City's waste hauler, Montgomery Trucking does not pick up any electronics left curbside with the exception of those items classified as white goods (refrigerators, ovens) when prior arrangement has been made with Montgomery Trucking. To meet the demand for electronics disposal, the City of Galena has partnered with T&T Recycling of East Dubuque, Illinois. T&T is registered by the Illinois Environmental Protection Agency as a Residential E-Waste Recycler.

When an item is dropped off at the Galena collection site, the item becomes the property of T&T. Once an item is dropped off, the item cannot be reclaimed by the original owner. The City of Galena is not responsible for items after they have been dropped off.
