

APPLE CANYON LAKE PROPERTY OWNERS' ASSOCIATION

AMENDMENT RULES AND REGULATIONS

XVIII HUNTING

A. Hunting is prohibited on the properties of ACL and all common properties with the following exceptions:

1. Trapping may be permitted by authorization of the General Manager and the Illinois Department of Natural Resources. No trapping will be allowed on private property without the owner's permission.

2. Deer archery hunting will be permitted during the State of Illinois hunting season. Hunters must qualify to participate in the ACL Deer Management Program by meeting standards approved by the Board of Directors and pay the fee. No hunting will be allowed on private property.

Deer Management Program Rules & Regulations

1. Each participant MUST attend a mandatory orientation meeting. All application fees must accompany application.

2. Each participant must show proof that they successfully completed a state or federally approved hunter safety education course.

3. Each participant must have proof of a minimum \$500,000 Liability insurance with ACLPOA listed as an Additional Insured or Additional Interest.

4. Each participant must qualify to participate in the ACL Deer Management Program by placing 4 out of 5 arrows in a 6-inch circle with the equipment carried in the field. All participants must bring a minimum of five arrows equipped with broad heads for use in qualifying. The distance for this qualification will be twenty (20) yards for compound and crossbows, and fifteen (15) yards for recurve and longbows. Participants will receive two (2) opportunities to qualify. The qualification will be supervised by Committee members. Participants are encouraged to complete a certified Bowhunter Education Course. For more information about courses, contact the National Bowhunter Education Foundation at 309-647-7128.

5. Participants are encouraged to communicate with other participants in adjacent zones before selecting a stand site within their own zone.

6. Committee members will inspect tree stand locations with participant to ensure that they meet all ACL requirements before hunting.

7. Participants may hunt in a zone that is not assigned to them as long as they have been granted permission from the primary hunter assigned to the zone they wish to hunt. They must sign in at Security (SSD) accordingly. Zone guests are not allowed to bring their own stand or move any stands in that zone.

8. No nails, spikes, or piercing of bark is allowed in trees. Permanent stands are not allowed. Stands must be elevated a minimum of six (6) feet from the ground's surface. Stands must be TMA-certified (Treestand Manufacturers Association).

9. Only branches with a stem diameter of less than 1.5 inches may be removed from the stand tree.

10. Stands must display an original ACL stand tag and be visible from the ground.

11. All stands must be at least seventy-five (75) feet away from the main ATV trail, roadway, parking area, and three hundred (300) feet from an inhabited dwelling. Stands may be closer than three hundred (300) feet from a dwelling only with the owner's written permission. Stands must be on green space.

Deer Management Program participant fee: Property Owner: \$125
