Re: Galena Pride Picnic 2024

The Galena Public Library proposes to host the third annual Galena Pride Picnic in Grant Park on Saturday, June 8, 2024 from 12 pm to 5 pm. Representation from the Galena Public Library will oversee all aspects of the event including, but not limited to, set-up, vendors, volunteers, security and first aid, event insurance, games, entertainers/performers, animals, arts and crafts, take-down, and clean-up.

The Galena Pride Picnic and the Galena Public Library are committed to providing a safe, engaging, family friendly environment that celebrates respect, inclusion, and equality for all taxpayers, community members, and beyond. Building on three successful years as well as the work the City of Galena and GGMI have done to support historically marginalized groups including LGBTQIA+ people, the 2024 Galena Pride Picnic will continue to build alliances within Galena and surrounding areas, as well as advocate collaboration from all who value equity and diversity.

Should the council have any questions regarding the Galena Pride Plcnic, representatives from the library will be present at the council meeting in which this proposal is presented for consideration.

Mr. Mark Moran City of Galena 101 Green St. Galena, IL 61036

Mr. Moran and the City Council of Galena,

The Jo Daviess County Democrats submitted a reservation to use Grant Park on July 13, 2024, to host "Democracy Day", a day long gathering for people to come together to celebrate democracy. Details regarding the event are as follows:

- 1. We anticipate the music will be staged from the Pavilion area, food truck(s) will be parked to the right of the Pavilion, and attendee chairs and picnic locations will cover most of the area in front of the Pavilion down to the Gazebo area.
- 2. There will be a voter registration booth staffed by deputy registrars.
- 3. We are planning to start at 11am and end at 6pm.
- 4. Live music will be played from 2-5pm. We have tentatively lined up the Rische Family Band with Lillie Mae from Nashville for our live music and if they cannot make it, we have other musicians lined up as substitutes.
- 5. The music will be acoustic and amplified by Scott Rische and Lenny Hosey.
- 6. We will not sell alcoholic beverages but if we find a vendor who has a wine/beer license and their own insurance, we will explore the option of having that vendor at the event.

- 6. We will only be selling Democratic Party themed items, such as t-shirts, pins, and mugs.
- 7. This is not a fundraiser per se, but a few dollars may be generated by #6.
- 8. There will be no charge for admission/participation, the event is free.
- 9. We have reserved Pulido's food truck for the event and Birds Chicken will determine if their current reservation at another event stands. If not they will reserve with us. We hope to have both food trucks at the event.

We understand City Council approval is required for this activity and are submitting this letter to request approval for our event. We can be reached at <a href="mailto:idcdemocrats@gmail.com">idcdemocrats@gmail.com</a> or P.O. Box 95, Galena, IL 61036, with your response. We appreciate your time and effort considering our request.

#### Honorable Mayor Renner,

I am writing to propose a series of initiatives for consideration at the upcoming City Council meeting on Monday, February 12, 2024. I respectfully request the inclusion of these items on the agenda. Galena Country Tourism (GCT) seeks approval for a collection of activities and events planned for 2024, particularly from May through August. Below is an outline of each proposed event, complemented by a brief summary. If these items are accepted for the upcoming agenda, I am prepared to participate in the public comment segment and to address any questions the Council may have.

#### **Amazing for All Activation:**

- #AmazingForAll Bridge A vibrant, temporary campaign installation on the Pedestrian Bridge, scheduled for June 1–30.
- Galena Country Tourism will organize all efforts to secure products, erect and remove
  installations, and monitor the install for its duration. Galena Country Tourism will cover all fees
  and will align its marketing efforts with the Illinois OFfice of Tourism's recommendations.

#### **Destination Experiences:**

- Live @ the Plaza Evolving from the previous Thursday Night Live, this series of engaging evenings that will take place at Green Street plaza, is scheduled for:
- May 30th, June 13th, June 27th, July 11th, July 25th, August 8th, and August 22nd from 5-8 p.m.
- This revamped series will feature local musicians, culinary offerings, and beverages, with no admission fee for the public.
- The event themes will align with relevant dates, holidays, and cultural themes, ensuring each evening offers a unique and meaningful experience to the Galena Country community and visitors alike.

Galena Country Tourism (GCT) is dedicated to the comprehensive planning and execution of these events, including obtaining necessary permits, arranging security services, and managing all associated setup costs. We will oversee the installation, maintenance, and dismantling of campaign materials, maintaining transparency in all associated expenses. In tandem, a robust digital promotion campaign will be deployed for each event to attract visitors and highlight our area's charm and vibrancy.

We appreciate your consideration for our inclusion on the agenda. Please refer to the attached summary for more details, and I am available to clarify any queries you or the Council members might have.

#### **MEMORANDUM**

TO: Honorable Mayor Renner and City Council

FROM: Mark Moran, City Administrator

DATE: February 1, 2024

RE: 403 S. Main Architectural Services

At the January 8 meeting, the council voted to move forward with converting the property at 403 S. Main Street to public restrooms with a tourism information component. Galena Country Tourism confirmed its commitment to provide the resources for visitor information. I am writing to present a proposal for architectural services for the entire project.

Following the January 8 meeting, I contacted Straka Johnson Architects of Dubuque to inquire about their interest in assisting with our project. The firm has familiarity with the property as it prepared building plans for the previous owner, Illinois Bank and Trust.

I am attaching a proposal from Straka Johnson that details their potential involvement. The work includes preparing construction documents for bidding, assisting with bidding, and construction observation. The proposal is for hourly billing with a total cost not-to-exceed cost of \$29,760. There could be additional costs for services such as interior design.

Straka Johnson proposes a schedule whereby construction would begin in June and be completed in November. Marty Johnson plans to attend the council meeting and be available for any questions.

Our current budget does not include funds for any projects at the building so a budget amendment would be needed for the early progress billings. Based on the size of the building, the expected scope of work, and prevailing wage rates, I think it reasonable to estimate a construction cost of \$200,000-\$300,000. All construction expenses would need to be included in the budget for next fiscal year. Once the facility is open, we would need to plan for the cost of janitorial services at approximately \$1,000 per month. I expect the construction cost would need to be covered by the General Fund and the janitorial costs by the General Fund and/or the Parking Fund.

Please let me know if you have any questions.

City of Galena c/o Mark Moran – City Administrator 101 Green Street Galena, Il 61036 January 16, 2024

RE: Main Street Welcome Center

Dear Mark:

Straka Johnson Architects is pleased to submit to you our proposal for design services related to the proposed Welcome Center at 403 South Main Street. We are very familiar with this building and have studied it in depth for several adaptive reuse projects over the past several years and feel our understanding of the site, and context within the city, will be asset to you and the City of Galena.

Briefly summarizing our understanding of the project, our work will consist of modifying the existing building, in accordance with design development drawings provided by Adam Johnson, to create a new Welcome Center and public restroom facility. We presume the city will provide existing development drawings to SJA for use in our process, and that all development work to date has been reviewed and approved by the City of Galena, including due diligence to determine code and ADA compliance.

In accordance with the RFP, the Construction Document phase of our work will incorporate an upgrade to the existing water service line, modifications to the existing HVAC systems, new plumbing fixtures, new light fixtures, interior finishes, exterior modifications (including removal of rear canopy and related restoration of building exterior), new egress pattern, sidewalks, exterior lighting, and wayfinding signage. We will provide limited bid review services to complement city staff and limited construction observation services throughout construction as indicated on preliminary milestone schedule. Refer to attached Project Assumptions.

Straka Johnson Architects is prepared to start work on this important project immediately. We have the depth of personnel and the capacity within our workload to make your project a priority. We look forward to sitting down with you at your earliest convenience to strategize next steps and move this project forward.

Thank you for your continued trust in Straka Johnson Architects and for the opportunity to serve you and the City of Galena. If the following proposal meets your approval, please return one signed copy for our records.

RE: Auditing Services Request for Proposal

The City of Galena's contract with O'Connor Brooks to provide auditing services expired with the audit for the fiscal year ended April 30, 2023. In January 2024, I prepared a request for proposal (RFP) for auditing services for the upcoming five fiscal years ending April 30, 2024 through 2028 and distributed the RFP to six certified public accounting firms that perform auditing services for government entities in Jo Daviess County and neighboring Illinois counties. The RFP requested both a technical proposal to ensure the firm is qualified to conduct a government audit and a compensation proposal to compare pricing of the auditing services. The proposals were due on January 30, 2024.

The following three auditing firms responded to the RFP: Benning Group of Freeport, O'Connor Brooks of Galena/Dubuque, and Wipfli of Sterling. All firms complied with the technical qualifications and agreed to an annual deadline of September 30. A summary of the cost of auditing services from the three firms is attached.

An audit will be required for each of the upcoming five years. A Single Audit is only required when at least \$750,000 of federal award funds is expended in a fiscal year. Currently, we expect the City to be subject to a Single Audit during only the April 30, 2024 and 2025 fiscal years due to the lead service line replacement program.

Given the above expectations, Wipfli is the low bidder at \$203,525. Wipfli also audits Jo Daviess County, so Mark Moran contacted Scott Toot, County Administrator. Toot provided a positive review of Wipfli specifically mentioning that Wipfli personnel are responsive, complete work in a timely manner, and present the audit in person to the board.

I recommend the City contract with Wipfli to provide auditing services for the fiscal years ending April 30, 2024 through 2028. Wipfli is the low bidder and would provide a fresh set of eyes on the City's finances since the last change in auditors took place 17 years ago. Thank you for your consideration.
