Downtown Sidewalk Tables & Chairs Policy

In order to preserve the charm and uniqueness for which Galena's downtown is renowned, the City has established a policy that would allow restaurants, cafes, taverns, and other businesses whose primary business is the sale of food or drink for consumption on or off premises to service their clientele with outdoor seating. The City considers the tables and chairs a "Sidewalk Café".

In order to balance safety and accessibility with commercial prosperity, the City has established the following guidelines for all business owners who wish to obtain a Sidewalk Café Permit to place tables and chairs on the sidewalk in front of their business.

Sidewalk Café Guidelines

1. Tables and chairs can be placed only on the sidewalk in front of the applicant's place of business.
2. Tables and chairs shall be permitted only on Main Street and Commerce Street.
3. The sidewalk in front of the business must be at least eight feet wide from the back of the curb to building face. These eight feet of clearance must be free of all obstacles such as trash receptacles, light poles, and sign poles.
4. Placement of tables and chairs on the sidewalk must not in anyway interfere with curb ramps, access to the building, driveways, or access to any fire escape.
5. Only table and chair styles approved by the City Council are permitted. The chairs shall not exceed 28 inches in width. The tables shall not exceed 30 inches in diameter.
6. Tables and chairs shall not extend more than 30 inches from the face of the building toward the sidewalk.
7. Each table must be accompanied by not more or less than two chairs. Individual chairs without tables are not permitted.
8. One set of two chairs and one table shall be permitted for each 10 lineal feet of unobstructed building frontage.
9. Umbrellas are not permitted on the tables.
10. Tables, chairs, and the sidewalk in front of the business must be kept free of all advertising (including menus), litter, and debris.
11. Food and drink may be served to each table, but must be promptly disposed of when the table is vacated.

12. No alcoholic beverages shall be permitted outside of any business.
13. The City encourages the removal of tables and chairs during the snow season. Removal is the responsibility of the applicant.
14. The City is not responsible for any damaged or stolen tables or chairs.
15. Placement of tables and chairs on the sidewalk must conform to all other Federal, State, and local laws and regulations.
16. Tables and chairs in the downtown business district used for eating, and drinking on private property must conform to all applicable requirements of the Galena Zoning Ordinance.

Application Requirements

An applicant could be the owner of the property or the owner of the business located adjacent to the sidewalk. All applicants who can comply with all the above guidelines are encouraged to submit an application for a permit to:

- Permit holders must display a copy of the permit visibly for public view during business hours.
- All permit holders must request renewal of the permit not later than 30 days prior to the expiration date of the Sidewalk Café Permit.

Compliance & Penalties

The City and business owners must work together to maintain a balance between the City's obligation to protect the safety of the public and business prosperity. It would be ideal if we have the cooperation of all the businesses and full compliance. To be fair, businesses that are found to be non-compliant with the provisions of this permit will be issued a citation(s) in accordance with the appropriate sections of the department of Public Works Code. Every infraction is punishable by a fine not to exceed:

- Written warning describing infraction for first offense
- \$100.00 for the second offense

- \$200.00 for the third offense
- Revocation of Permit for a third violation within a period of one year.

This policy was adopted by the Galena City Council on December 26, 2006.
