Dear Mr. Moran

In order to allow for future improvements to your High Speed Internet Service, Mediacom will be making changes to your channel line-up, on or about Tuesday, August 30TH, 2016.

Any digital ready televisions not connected to a Mediacom Digital Box, please be sure to “auto program” or “channel rescan” your television after the channel lineup changes to ensure you receive all channels. Refer to your television’s owner’s manual for specific instructions.

No action or additional equipment is required for any digital ready television already connected to a Mediacom Digital Box. For your convenience, you can find all of the channel changes outlined on the following slides.
