

CITY OF GALENA, ILLINOIS

101 Green Street, PO Box 310, Galena, Illinois 61036

MEMORANDUM

TO: Honorable Mayor Renner and City Council

FROM: Andy Lewis, City Engineer *A Lewis*

DATE: 6 May 2019

RE: Replacement of Watermain Valves – Approval of Quotes

Request for quotes (RFQ) for unit costs to replace old and deteriorated watermain valves were sent to three contractors. The RFQ was also posted on the city website. Two contractors submitted quotes as detailed below:

#	ITEM	UNIT	QUANTITY	Louie's Trenching Service		J.I. Construction	
				UNIT COST \$	AMOUNT \$	UNIT COST \$	AMOUNT \$
1	Remove and replace watermain valve. New valve and fittings supplied by city.	Each	4	2150	8600	4100	16400
2	Install new valve. New valve and fittings supplied by city.	Each	3	2150	6450	3800	11400
	TOTAL COST				15050		27800

This project involves the replacement of watermain valves at various locations throughout the city. All work will be coordinated with Veolia and the Fire Department.

The quote from Louie's Trenching Service is the best value option. We have \$10,00 budgeted this year for replacing watermain valves.

I recommend the city council approves a contract with Louie's Trenching Service to replace watermain valves at unit costs detailed above.
